## An Inside Account

In the spring of 1968, Robert Kennedy embarked on a presidential campaign that would capture the imagination of the nation. With his charisma, idealism, and commitment to social justice, Kennedy inspired millions of Americans to believe in a better future.

But Kennedy's campaign was cut short on June 6, 1968, when he was assassinated in Los Angeles. In the aftermath of his death, the nation was left to mourn the loss of a promising leader and to wonder what might have been.

Now, for the first time, author Jeff Greenfield offers an inside account of Kennedy's final 85 days. Drawing on extensive interviews with Kennedy's family, friends, and campaign staff, Greenfield provides a vivid and intimate

portrait of the man and his campaign. He reveals the behind-the-scenes story of Kennedy's decision to run for president, his struggles with the Vietnam War, and his vision for a more just and equitable America.

*85 Days* is a must-read for anyone interested in American history, politics, or the life and legacy of Robert Kennedy. It is a powerful and moving account of a man who dedicated his life to making a difference in the world.

### **Praise for *85 Days***

"A masterful account of Robert Kennedy's final campaign. Greenfield has captured the essence of Kennedy's charisma, idealism, and commitment to social justice. This book is a must-read for anyone interested in American history or politics." —**David McCullough**

"A gripping and unforgettable account of one of the most tragic events in American history. Greenfield's writing is both insightful and compassionate, and he brings the reader into the heart of Kennedy's campaign. A must-read for anyone who wants to understand the life and legacy of Robert Kennedy." —**Doris Kearns Goodwin**

"A beautifully written and deeply moving account of Robert Kennedy's final campaign. Greenfield has done a masterful job of capturing the spirit of the man and his vision for America. This book is a must-read for anyone interested in history, politics, or the human condition." —**Jon Meacham**

### **About the Author**

Jeff Greenfield is a veteran journalist and political commentator. He has been a senior political correspondent for CBS News, ABC News, and CNN. He is the author of several books, including *The People's Choice* and *Then*

*Everything Changed: The First Day of the Internet, in the Last Days of the Old Media.*
