By Ian Svenonius

In the wake of recent events, it has become clear that censorship is on the rise. From the banning of books to the silencing of dissenters, free speech is under attack. In his new book, *Censorship Now*, Ian Svenonius argues that this is not a new phenomenon, but rather a recurring pattern throughout history. Svenonius traces the history of censorship from its origins in ancient Greece to its modern-day manifestations. He shows how censorship has been used by governments, corporations, and religious groups to suppress dissent and control the flow of information.

Svenonius argues that censorship is a dangerous threat to our democracy. It prevents us from having open and honest conversations about important issues, and it makes it difficult to hold those in power accountable. He calls

on us to resist censorship in all its forms, and to fight for our right to free speech.

Censorship Now is a timely and important book. It is a reminder that free speech is not a given, and that we must constantly fight to protect it. Svenonius's book is a call to arms for everyone who cares about freedom of expression.

About the Author

Ian Svenonius is a musician, writer, and activist. He is the founder of the punk rock band the Make-Up, and he has also written for publications such as *The New York Times* and *The Guardian*. Svenonius is a passionate advocate for free speech, and his book *Censorship Now* is a powerful indictment of the forces that are trying to silence dissent.

Praise for *Censorship Now*

"*Censorship Now* is a must-read for anyone who cares about freedom of expression. Svenonius's writing is sharp, funny, and incisive, and he makes a powerful case for why we must resist censorship in all its forms." —Noam Chomsky

"Svenonius is one of the most important voices in the fight for free speech. *Censorship Now* is a brilliant and timely book that will inspire you to stand up for your rights." —Patti Smith

"*Censorship Now* is a vital and necessary book. Svenonius's passion for free speech is contagious, and his book will give you the courage to speak out against censorship." —Henry Rollins
