

# Complete Instructions and Chart: A Comprehensive Guide to Unlock Success

## Navigate the Complexities with Ease

### 1 INTRODUCTION

#### 1.1 Purpose of the CT Study Instruction Manual

The purpose of this instruction manual is to help you complete original and revised CT studies for your treatment plant using the CT Template.

#### 1.2 What Systems Can Use the New Automated CT Study Template?

The Template is primarily intended for small and medium size treatment plants. The template is designed for treatment plants with no more than 10 disinfection zones, each zone consisting of no more than 10 treatment units. If your plant does not meet these requirements, your CT study will need to be completed manually.

#### 1.3 How is This Instruction Manual Organized?

Table 1-1 gives a summary of the chapters in this manual and what they cover.
