

Detroit Country Music Mountaineers Cowboys And Rockabillicies

Detroit is a city that is known for its rich musical history, and country music is no exception. The Detroit country music scene has its roots in the early 20th century, when Appalachian migrants brought their music to the city. These migrants settled in neighborhoods like Mexicantown and Corktown, and they soon began playing their music in local bars and clubs.

In the 1940s and 1950s, Detroit's country music scene began to flourish. This was due in part to the popularity of honky-tonk music, a style of country music that is characterized by its fast tempo and simple lyrics. Some of the most popular honky-tonk bars in Detroit included the Bluebird Inn, the Flame Show Bar, and the Grand Ole Opry.

In the 1960s, Detroit's country music scene began to change. This was due in part to the rise of rock and roll, a new genre of music that was more

popular with young people. However, country music continued to be popular in Detroit, and many of the city's honky-tonk bars remained open.

In the 1970s, Detroit's country music scene began to experience a resurgence. This was due in part to the popularity of outlaw country, a subgenre of country music that was characterized by its rebellious lyrics and anti-establishment stance. Some of the most popular outlaw country artists included Willie Nelson, Waylon Jennings, and Johnny Cash.

Today, Detroit's country music scene is still going strong. There are a number of honky-tonk bars still open in the city, and there are also a number of country music festivals held throughout the year. Some of the most popular country music festivals in Detroit include the Detroit Country Music Festival and the Ford Wyoming Country Music Festival.
