Synopsis

In the vast expanse of the cosmos, where danger lurks at every turn, the renegade crew of Rogue Enterprises embarks on a daring mission in Space Rogues 10. Led by the enigmatic Captain Jaxon, these outcasts and misfits have carved a name for themselves in the lawless fringes of the galaxy.

When they receive a distress call from a remote mining colony under siege by a ruthless mercenary group, Jaxon and his crew face a moral dilemma. They are known for their mercenary pursuits, but the cries of the innocent compel them to answer the call. As they navigate treacherous asteroid fields and engage in pulse-pounding space battles, the Rogues discover that the stakes are far higher than they could have ever imagined.

With each exhilarating encounter, the bonds between the Rogues deepen, and their unwavering loyalty is put to the ultimate test. From the skilled pilot Anya to the enigmatic hacker Marlow, each member of the crew brings unique abilities and a complex backstory to the adventure.

As the Rogues delve deeper into the heart of the conflict, they uncover a sinister plot that threatens to plunge the galaxy into chaos. With their backs against the wall and time running out, they must make a daring choice that will either save the innocent or condemn them all.
