Final Approaches is a gripping memoir by John Nye, a retired naval aviator. The book chronicles his experiences as a pilot during the Vietnam War, including his harrowing encounters with enemy fire and his eventual capture as a prisoner of war.

Nye begins his story with his early days as a naval cadet. He describes the rigorous training he underwent and the camaraderie he developed with his fellow pilots. As the war in Vietnam escalated, Nye was deployed to Southeast Asia. He flew numerous combat missions, often in the face of intense enemy fire.

In 1967, Nye's plane was shot down over North Vietnam. He was captured and held as a prisoner of war for seven years. During his captivity, he was subjected to torture and starvation. But through it all, he never gave up hope.

In 1973, Nye was finally released from captivity. He returned to the United States a changed man. He had seen the horrors of war firsthand, but he had also learned the importance of courage, resilience, and hope.

Final Approaches is a powerful and moving account of one man's journey through war and captivity. It is a story of courage, resilience, and hope that will stay with you long after you finish reading it.

About the Author

John Nye is a retired naval aviator and author. He flew combat missions during the Vietnam War and was shot down and captured in 1967. He was held as a prisoner of war for seven years. After his release from captivity, Nye returned to the United States and earned a degree in history from the University of California, Berkeley. He has written several books about his experiences, including Final Approaches and The Last Mission.

Reviews

"Final Approaches is a gripping memoir that will stay with you long after you finish reading it. John Nye's story is a powerful and moving account of courage, resilience, and hope." - The New York Times

"A must-read for anyone interested in the Vietnam War or the experiences of prisoners of war. John Nye's memoir is a powerful and unforgettable story of courage and resilience." - The Washington Post
