**Metallica: The Complete Illustrated History** is the definitive account of the band's 40-year career, featuring exclusive interviews, rare photos, and behind-the-scenes stories.

From their humble beginnings in Los Angeles to their status as one of the biggest bands in the world, Metallica has had a remarkable journey. This book tells the story of that journey, from the early days of playing in garages and dive bars to the massive stadiums and arenas they now fill.

The book is packed with exclusive interviews with the band members, as well as with friends, family, and other musicians who have worked with them. These interviews provide a unique insight into the band's creative process and their personal lives.

The book also features a wealth of rare photos, many of which have never been seen before. These photos capture the band's evolution over the years, from their early days as a struggling garage band to their status as one of the biggest bands in the world.

In addition to the interviews and photos, the book also includes a detailed history of Metallica's music. This history covers the band's early influences, their songwriting process, and their impact on the heavy metal genre.

**Metallica: The Complete Illustrated History** is the ultimate book for fans of the band. It is a must-have for any music lover or anyone interested in the history of heavy metal.
