From the bestselling author of *The Wedding Dress* and *The Memory Keeper's Daughter* comes a gripping and emotionally resonant novel that explores the themes of redemption, forgiveness, and the power of second chances.

When Emily Carter is released from prison after serving ten years for a crime she didn't commit, she knows that her life will never be the same. She has lost everything—her family, her friends, her career—and she is haunted by the guilt and shame of her past. But Emily is determined to rebuild her life, and she finds solace and support in the unlikelyst of places: a small church in the rural town of Redemption, Ohio.

Redemption is a place where everyone is welcome, no matter their past mistakes. Emily finds a community of people who believe in her and are willing to give her a second chance. With the help of Father Michael, the church's pastor, Emily begins to confront her past and to heal the wounds that have haunted her for so long.

But Emily's journey to redemption is not without its challenges. She must face the judgment of her former community, and she must learn to forgive herself for the mistakes she has made. But through it all, Emily finds strength and hope in the love and support of her newfound friends and family.

The Patron Saint of Second Chances is a powerful and uplifting novel that explores the transformative power of redemption and forgiveness. It is a story that will resonate with anyone who has ever made a mistake, and it is

a reminder that even in the darkest of times, there is always hope for a second chance.

Praise for *The Patron Saint of Second Chances*

"Rachel Hauck has written a masterpiece. *The Patron Saint of Second Chances* is a powerful and moving novel that will stay with you long after you finish reading it."—Jodi Picoult, #1 *New York Times* bestselling author
