

There's Something Very Fishy Going On: It's More Than Just a Virus

In the wake of the COVID-19 pandemic, the world has been left reeling. Governments have imposed lockdowns, economies have collapsed, and millions of people have lost their lives. But what if the truth about the pandemic is not what we've been told?

Escape from Big Brother: There's Something Very Fishy Going On, It's More Than Just A Virus!

In his new book, *There's Something Very Fishy Going On: It's More Than Just a Virus*, investigative journalist David Icke reveals the sinister forces behind the pandemic and the hidden agenda that is driving it.

Icke argues that the COVID-19 pandemic is not a natural occurrence, but rather a man-made event that has been orchestrated by a cabal of global

elites. These elites, he says, are using the pandemic to advance their own agenda, which includes the establishment of a new world Free Download.

Icke's book is a bombshell that will shatter the official narrative about the COVID-19 pandemic. It is a must-read for anyone who wants to know the truth about what is really going on.

The Evidence

Icke's book is based on a wealth of evidence, including:

- The fact that the virus was patented years before the pandemic
- The fact that the virus was released from a laboratory in Wuhan, China
- The fact that the pandemic has been used to justify the imposition of draconian lockdowns
- The fact that the pandemic has been used to promote the development of a new vaccine that has not been properly tested

Icke's evidence is damning, and it points to the fact that the COVID-19 pandemic is a man-made event that has been orchestrated by a cabal of global elites.

The Hidden Agenda

Icke believes that the global elites are using the COVID-19 pandemic to advance their own agenda, which includes:

- The establishment of a new world Free Download
- The reduction of the world's population

- The control of the world's economy

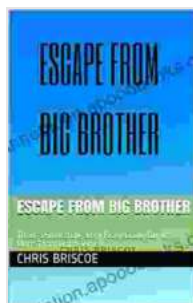

Icke's book is a wake-up call to the world. It is a reminder that we must not allow the global elites to control our lives. We must fight for our freedom and our future.

The Call to Action

Icke's book is a call to action. He urges us to rise up and resist the global elites. He urges us to create a new world, a world that is based on peace, love, and freedom.

If you are ready to join the fight against the global elites, then I urge you to read *There's Something Very Fishy Going On: It's More Than Just a Virus*. This book will change your life, and it will help you to create a better future for yourself and for your children.
