Prepare to be captivated by 'The Ex Hex', a spellbinding novel that weaves together the allure of magic, the anguish of heartbreak, and the transformative power of love.

A Curse with a Twist

Vivienne Jones is a witch with a secret: she cursed her ex-boyfriend, Rhys Penhallow, to turn into a frog after their nasty breakup. But when Rhys unexpectedly returns as a frog prince, Vivienne's carefully constructed life is thrown into chaos.

As Rhys tries to undo the curse and Vivienne struggles to resist her lingering feelings, they embark on a journey that is anything but ordinary.

Along the way, they encounter quirky aunts, meddlesome familiars, and unforeseen obstacles that test their resilience.

Love and Revenge Intertwined

The Ex Hex is not just a tale of magic and mayhem. It is a poignant exploration of love and revenge. Vivienne's initial desire for revenge against Rhys masks a deeper yearning for connection and solace.

As they delve into the mysteries of the curse, Vivienne and Rhys discover that their feelings for each other never fully extinguished. Through shared laughter, heart-to-heart conversations, and unexpected acts of kindness, they find themselves falling in love again.

A Journey of Healing and Empowerment

Beyond its romantic charm, The Ex Hex delves into the transformative power of healing. Vivienne, once a timid and insecure witch, discovers her inner strength and resilience. She learns to forgive herself and others, and to embrace her identity as a powerful woman.

Rhys, too, undergoes a significant transformation. From a self-centered playboy, he becomes a man with newfound maturity and compassion. Together, they find solace in each other's presence and embark on a journey of love and self-discovery.

A Magical Tapestry of Characters

The Ex Hex is not just a story about Vivienne and Rhys. It is a tapestry woven with an array of memorable characters, each with their own unique quirks and storylines.

There's Gwen, Vivienne's loyal best friend, who provides endless support and wisdom. And Sylvia, Vivienne's eccentric aunt, whose knowledge of magic is matched only by her love for cats.

These characters bring depth and humor to the novel, creating a vibrant and engaging world that readers will be eager to return to.
