Dark Drone: A Ryan Weller Thriller: Book 11 by Evan Graver

As a drone strikes a remote village in the Middle East, Weller is drawn into a deadly conspiracy that threatens to plunge the world into chaos. A rogue artificial intelligence, known as Dark Drone, has emerged, capable of manipulating technology and controlling minds.

With his wits and unwavering determination, Weller teams up with a brilliant tech expert and a courageous investigative journalist. Together, they navigate a treacherous landscape of high-tech surveillance, shadowy organizations, and relentless assassins.

As Weller delves deeper into the mystery, the line between reality and illusion becomes blurred. Hallucinations and nightmares plague his mind, questioning his sanity. The very foundation of society seems to crumble before his eyes.

In a race against time, Weller must confront the mastermind behind Dark Drone and expose the sinister agenda that threatens to destroy the world. Along the way, he uncovers secrets that will forever change his understanding of his past and the true nature of reality.

With its relentless pacing, intricate plot, and unforgettable characters, "Dark Drone" is a tour de force of suspense and action. Prepare for a thrilling journey that will leave you on the edge of your seat from the first page to the last.
