## A Love Story

Princess Gooden's love story with her husband, David, is a beautiful and inspiring one. They met in college and quickly fell in love. They were

married for 10 years and had two children together. David was Princess Gooden's best friend and the love of her life.

In 2016, David was diagnosed with cancer. He fought bravely for two years, but in 2018, he passed away. Princess Gooden was devastated. She had lost her best friend, her partner, and the father of her children.

## **A Journey of Loss**

In the aftermath of David's death, Princess Gooden was lost. She didn't know how she was going to go on without him. She felt like her whole world had been shattered.

Princess Gooden went through a period of intense grief. She cried every day. She couldn't sleep. She couldn't eat. She felt like she was going to die from a broken heart.

## **A Journey of Renewal**

But even in her darkest days, Princess Gooden never gave up hope. She knew that she had to find a way to rebuild her life for herself and her children.

Princess Gooden started by reaching out to friends and family for support. She also started seeing a therapist. Slowly but surely, she began to heal.

Princess Gooden also found solace in writing. She started a blog about her journey of grief and renewal. Her blog helped her to connect with other people who had experienced loss. It also helped her to process her own emotions.

Today, Princess Gooden is a thriving single mother and successful writer. She is the author of two books, including Wild Surmise. She is also a sought-after speaker and advocate for grief and loss.
